Mahindra Aura Phase-4 is an upcoming residential project in the heart of Sector 110A Gurgaon, and will be offered residential apartments launching soon. It also maximizes the experience of living close to nature by giving back to it. 16.84 acres of Contiguous land 500 meters from existing developed sector and plot adjoining existing roads on two side.

This is achieved by employing the latest green techniques. Mahindra Aura Phase 4 is offered residential apartments with all community facilities like Playground, Power Back-Up etc.

As witnessed in the Earlier phases of **Mahindra Aura**, bookings were completed in less than A week (for phase 1) , 2 hours for phase 2 and 2 weeks for Phase 3 , And **Premium was there in less than a month's time** , Again the opportunity has come to be availed by the select few.

Cheque Collection has been started by us and we will be updating the Company about the Cheques collected for Confirmed Allotment.
